Bank Account Management – User Manual

1 Bank Account Management

The user manual covers detailed information pertaining to registration of Bank Account(s) on ICEGATE for the purposes of collection of export incentives and declaration of banks used for making foreign remittances.

➤ On clicking the tab <**Bank Account**>, the system will display two types of accounts as shown in the screen below.

1. Refund/Incentive Account and
2. Foreign Remittance Account (Authorized Dealer Code)

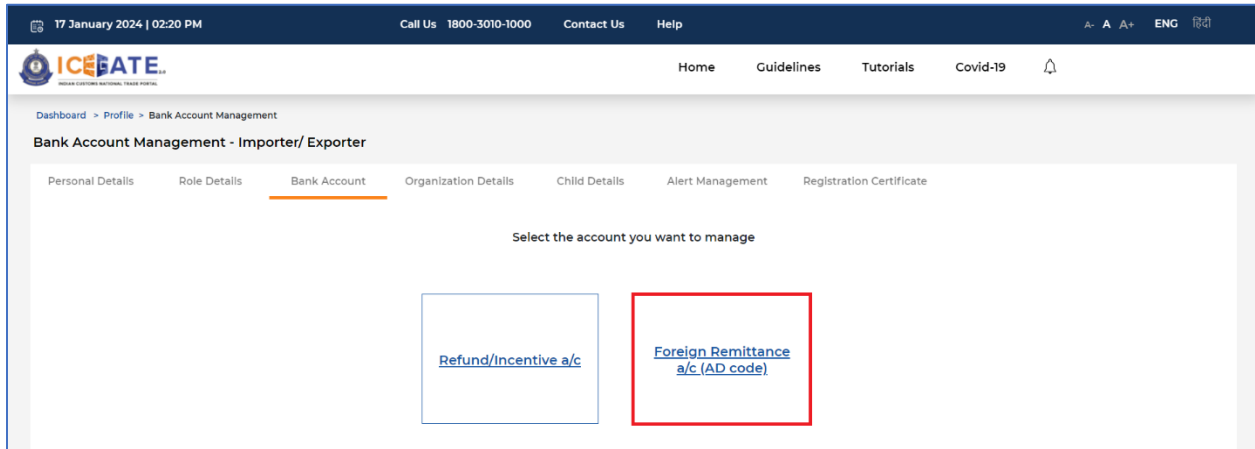

Bank Account Management – User Manual

1.1 Foreign Remittance Account (AD Code)

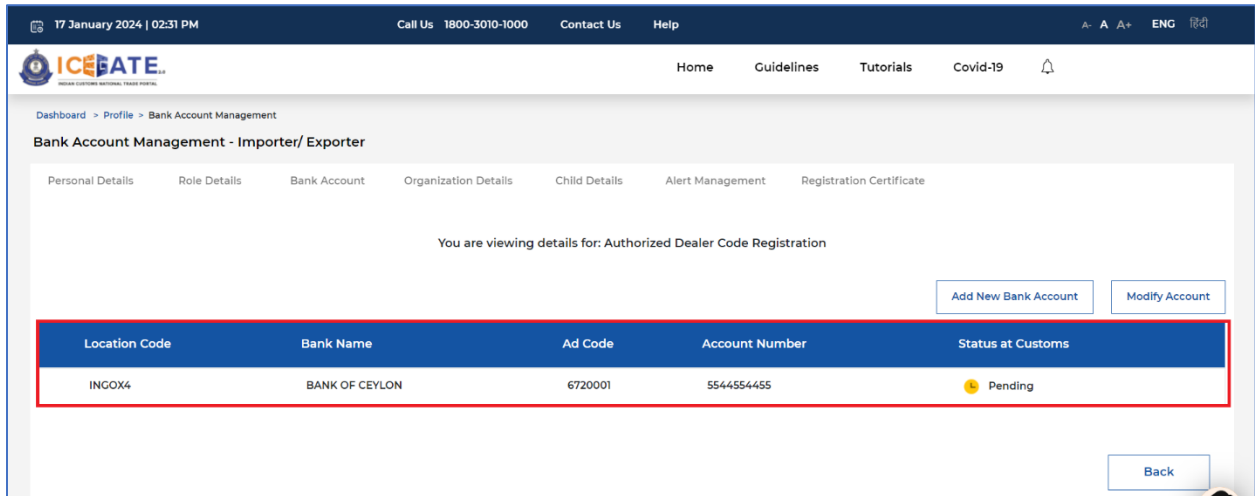

The foreign remittances account will show the declaration of banks used for making foreign remittances.

- Select Foreign Remittance Account (Authorized Dealer Code) highlighted in red box as shown in the screen below.

The screenshot shows the ICEGATE portal with the user logged in as an Importer/Exporter. The 'Bank Account' tab is selected. Two options are presented: 'Refund/Incentive a/c' and 'Foreign Remittance a/c (AD code)'. The latter is highlighted with a red box.

On selecting the account, the system will display the parameters such as Location Code, Bank Name, AD Code, Account Number, and Status at Customs.

The screenshot shows the details of the selected 'Foreign Remittance a/c (AD code)'. The interface displays a table with the following information:

Location Code	Bank Name	Ad Code	Account Number	Status at Customs
INGOX4	BANK OF CEYLON	6720001	5544554455	Pending

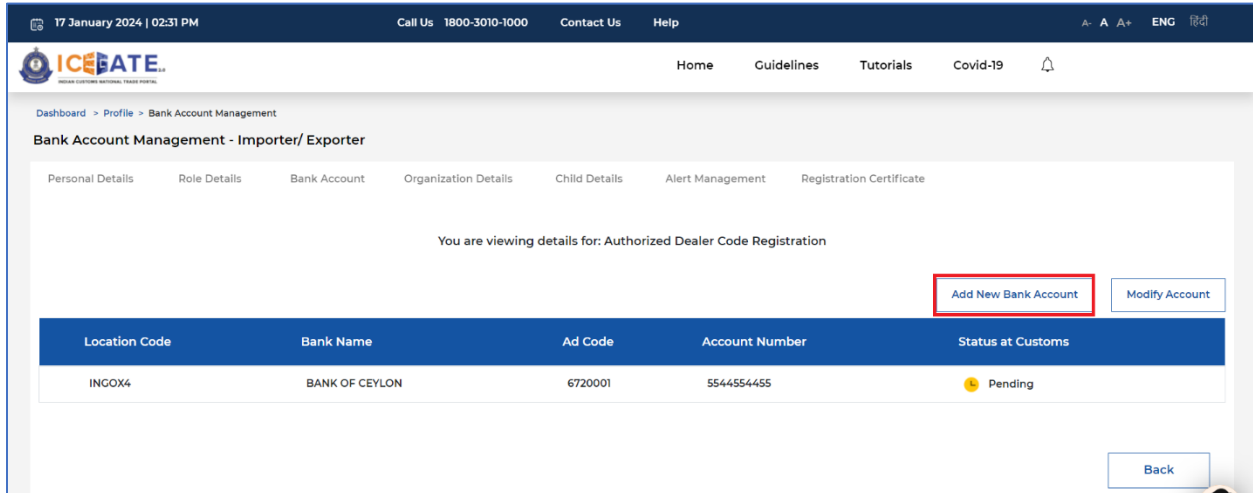

Buttons for 'Add New Bank Account' and 'Modify Account' are visible. A 'Back' button is at the bottom right.

Bank Account Management – User Manual

1.1.1 Add New Bank Account

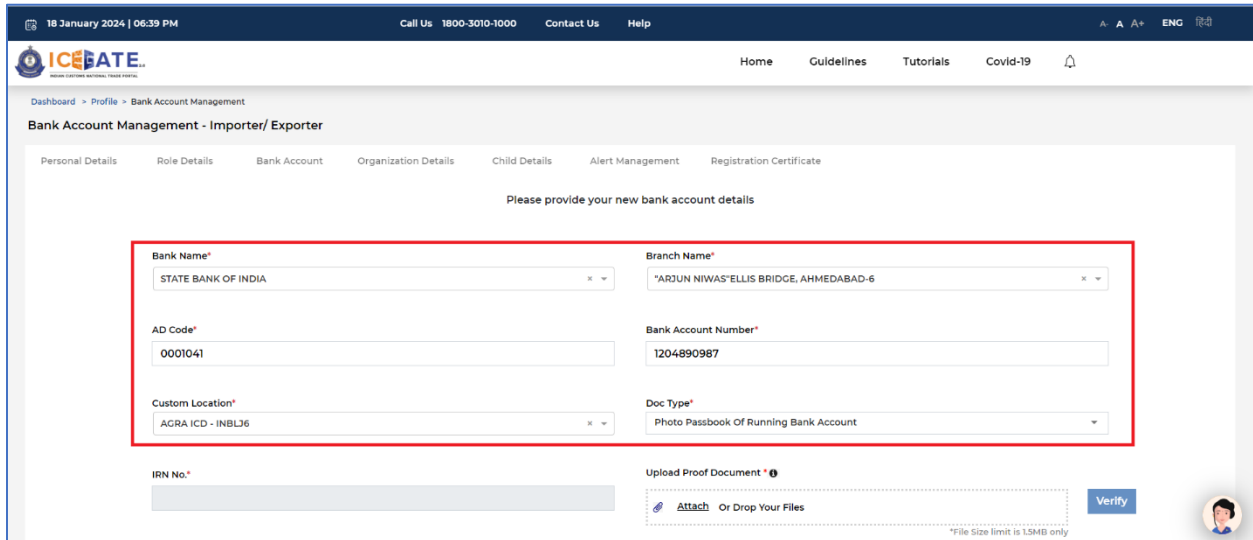

Kindly follow the below steps to add new bank account -

Step-1: Click on <Add New Bank Account> button.

The screenshot shows the ICEGATE portal interface. The top navigation bar includes the ICEGATE logo, date and time (17 January 2024 | 02:31 PM), contact information, and language settings. The main header contains links for Home, Guidelines, Tutorials, and Covid-19. The breadcrumb trail indicates the user is in the 'Bank Account Management' section. The page title is 'Bank Account Management - Importer/ Exporter'. Below the title, there are tabs for Personal Details, Role Details, Bank Account, Organization Details, Child Details, Alert Management, and Registration Certificate. The 'Bank Account' tab is selected. The page content states 'You are viewing details for: Authorized Dealer Code Registration'. A table displays the current bank account details: Location Code (INGOX4), Bank Name (BANK OF CEYLON), Ad Code (6720001), Account Number (5544554455), and Status at Customs (Pending). A red box highlights the 'Add New Bank Account' button in the top right corner. A 'Modify Account' button is also visible. A 'Back' button is located at the bottom right.

Step-2: Select the Bank Name and Branch Name from dropdown menu, enter Bank Account Number, select Custom Location and Doc Type.

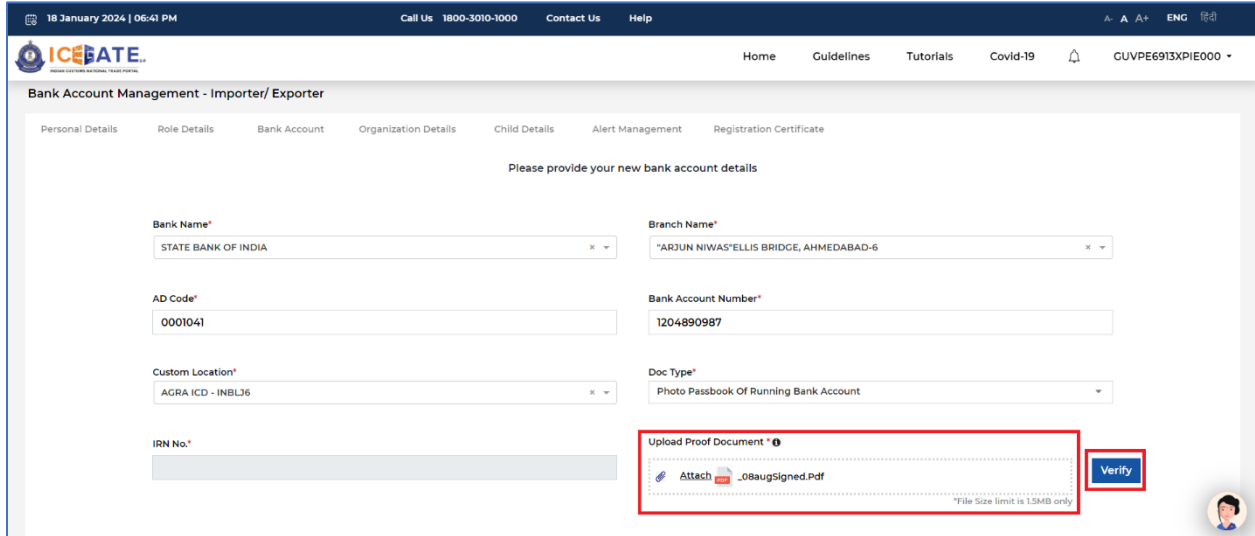

The screenshot shows the ICEGATE portal interface for adding a new bank account. The top navigation bar and header are the same as in the previous screenshot. The breadcrumb trail indicates the user is in the 'Bank Account Management' section. The page title is 'Bank Account Management - Importer/ Exporter'. Below the title, there are tabs for Personal Details, Role Details, Bank Account, Organization Details, Child Details, Alert Management, and Registration Certificate. The 'Bank Account' tab is selected. The page content states 'Please provide your new bank account details'. A form is displayed with the following fields: Bank Name* (STATE BANK OF INDIA), Branch Name* (ARJUN NIWAS ELLIS BRIDGE, AHMEDABAD-6), AD Code* (0001041), Bank Account Number* (1204890987), Custom Location* (AGRA ICD - INBL36), and Doc Type* (Photo Passbook Of Running Bank Account). A red box highlights the form fields. Below the form, there is an 'IRN No.*' field and an 'Upload Proof Document *' section with an 'Attach' button and a note 'Or Drop Your Files'. A 'Verify' button is located at the bottom right. A note at the bottom right states '*File Size limit is 1.5MB only'.
